

Energy for Tomorrow®

*Renewable energy purchase agreement
for large business customers*

Energy for Tomorrow, administered by We Energies, gives customers the opportunity to purchase electricity generated from renewable energy resources such as wind, solar and biomass.

Customer name: _____

Location(s) of purchase: _____
(e.g., account number(s), name of facility or organization)

Amount of renewable energy purchased (select one of the following options):

Percentage option: 25% 50% 100%

Block option: _____ kWh/month at _____ \$/month

(Block option rate: 3.02 cents/kWh)

Rate: *The renewable energy premium is 3.02 cents per kilowatt-hour (kWh) in addition to the customer's normal energy charge. All rates and conditions of delivery of the respective rate schedule under which the customer is served are applicable.**

We Energies will:

- Provide renewable electric energy in amount requested above.
- Deduct fuel cost adjustment (FCA) from customer's electric bill for each kWh of renewable energy purchased.
- Provide customer with renewable energy information.
- Maintain independent certification of renewable energy purchases.

Customer will:

- Purchase renewable electric energy in the amount requested above from Energy for Tomorrow for one year. Purchase requirement will automatically renew each year unless terminated by the customer or We Energies in writing 30 days prior to the contract expiration date.
